Hid-A-Bag®

Protecting Nature

Features

The industry standard for bear proof containment.

Handicapped accessible with optional side-hinge loading door.

Decorative poly siding looks great with zero upkeep.

Combination collection for waste and/or recyclables.

Side-hinge unloading door for ease of servicing.

Optional 5" or 8" restrictor plate for recycling containers.

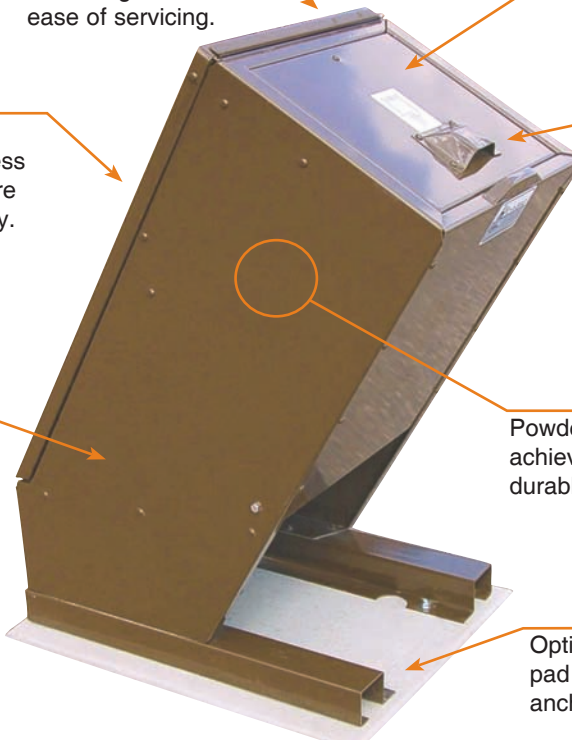

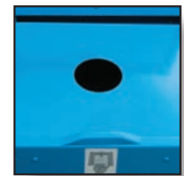

Galvanneal steel panels and stainless steel hinges ensure extended durability.

Bear proof latch and construction certified by Living With Wildlife Foundation and the IGBC for private and public lands use.

Hinged bag cage minimizes lifting.

Powder paint process achieves a high gloss, durable finish.

Optional concrete pad with proven anchoring system.
