HAUL-ALL EQUIPMENT LTD WASTE & RECYCLING SOLUTIONS

Haul-All Equipment specializes in the design, manufacture, sale and support of waste and recycling systems including storage containers, collection vehicles and transfer stations.

- 40+ years experience
- 30+ Patents & Trademarks
- IGBC Certified Products

Our focus is on delivering high-quality products and pioneering advancements in the industry.

THE HID-A-CART:

EFFICIENT AND SECURE CART MANAGEMENT

The Hid-A-Cart is engineered to support various cart sizes, from 32 to 95 gallons, catering to both residential and commercial environments. Constructed with durable materials and designed for longevity, it enhances secure storage in any setting.

Featuring a design that maximizes space and ensures easy access, the Hid-A-Cart is an

effective choice for managing carts. It includes bear-resistant features and options for recycling, simplifying waste management across different areas.

Opt for the Hid-A-Cart for a reliable, environmentally-friendly solution to cart storage in your community or facility.

TRUSTED BY

BC Parks

HID-A-CART

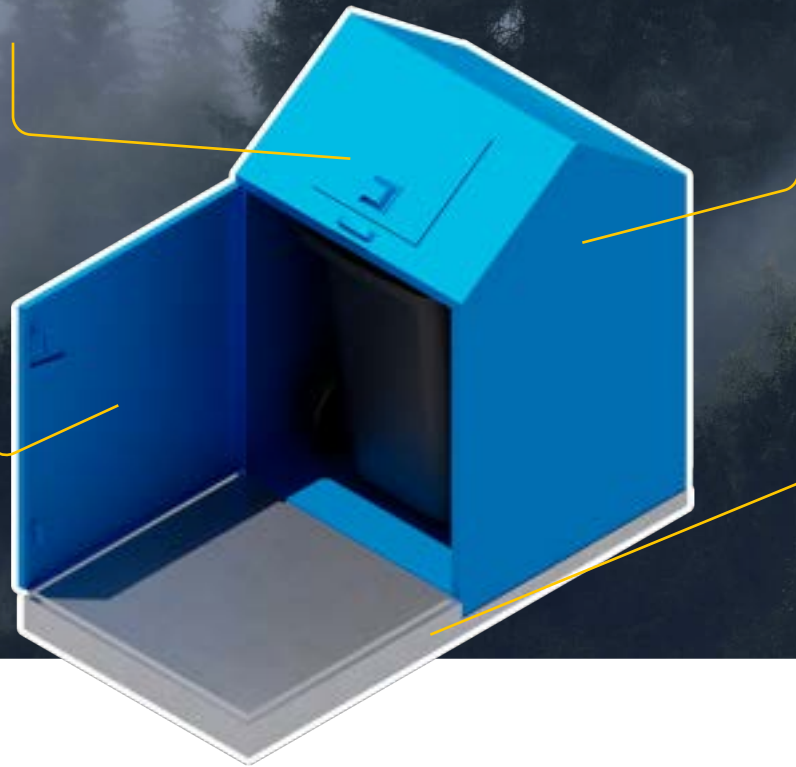

The Hid-A-Cart is manufactured from galvanized steel panels for strength and unmatched rust resistance. The container is further protected by powder paint which provides unbeatable impact resistance. Sturdy construction and bear proof latches on loading and unloading doors eliminate animal access. An optional concrete mounting pad prevents the container from being tipped or moved.

Restrictor plate option for recycle collection

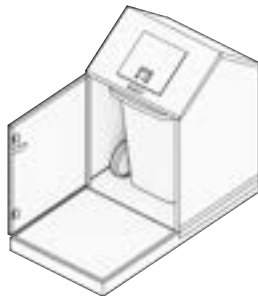

Galvanized steel panels and stainless steel hinges ensure extended durability.
